UNIVERSITY | BUDAPEST

# Eötvös Loránd University Institute of Chemistry

## Tenured Faculty Position

The Institute of Chemistry (<http://chemistry.elte.hu/>) of ELTE Eötvös Loránd University, the leading research university of Hungary located in the capital city of Budapest, invites applications for an assistant professor position with a start date of September 1, 2022, or a mutually agreeable date after that.

The new assistant professor of our Institute is expected to develop and sustain an outstanding research program in **organic or analytical chemistry or materials science**. Eötvös Loránd University maintains a tenure system similar to top international universities. The selected candidate is expected to have a solid commitment to teaching, a demonstrated expertise in one of the selected disciplines, and the ability to lead a vigorous, externally funded research program. The teaching duties include lectures and laboratory exercises, supervision of doctoral candidates and postdoctoral fellows, and participation in the Hevesy György Ph.D. School of Chemistry of ELTE. Active participation in R&D cooperation is strongly encouraged.

Please apply electronically and send the application materials to [dekan@ttk.elte.hu](mailto:dekan@ttk.elte.hu) and [kemiaigazgato@ttk.elte.hu](mailto:kemiaigazgato@ttk.elte.hu). The letter of application should be addressed to the Dean of the Faculty of Science, Prof. Imre Kacs Kovics. Applications received by May 15, 2022, will be given priority. Applications should include a curriculum vitae with a list of publications a description of professional interests and goals in both teaching and research, copy of diploma. Each application should include the names and addresses of three or more references who will provide recommendation letters.

Questions may be directed to Prof. István Szalai ([istvan.szalai@ttk.elte.hu](mailto:istvan.szalai@ttk.elte.hu)), head of the Institute of Chemistry.

ELTE is an Equal Opportunity/Affirmative Action employer
