

ELTE FACULTY OF SCIENCE LITTLE SCIENTIST KIDS' CAMP

SCIENCE-THEMED ADVENTURE CAMP
FOR PRIMARY SCHOOL CHILDREN

Scientific Adventures

📍 Location: ELTE Faculty of Science, Lágymányos Campus

👥 Age groups: Lower and upper primary groups separated

👧👦 Group size: 50 children per session

🧳 Overnight + day-trip programme

The aim of the camp is for children to:

- discover the basics of several scientific fields in an experiential, engaging way;
- try themselves in real experiments and field situations;
- explore the joy of natural sciences and research through community activities and playful tasks;
- develop a closer connection to nature, science, and to one another.
